PINCHO X DISCO

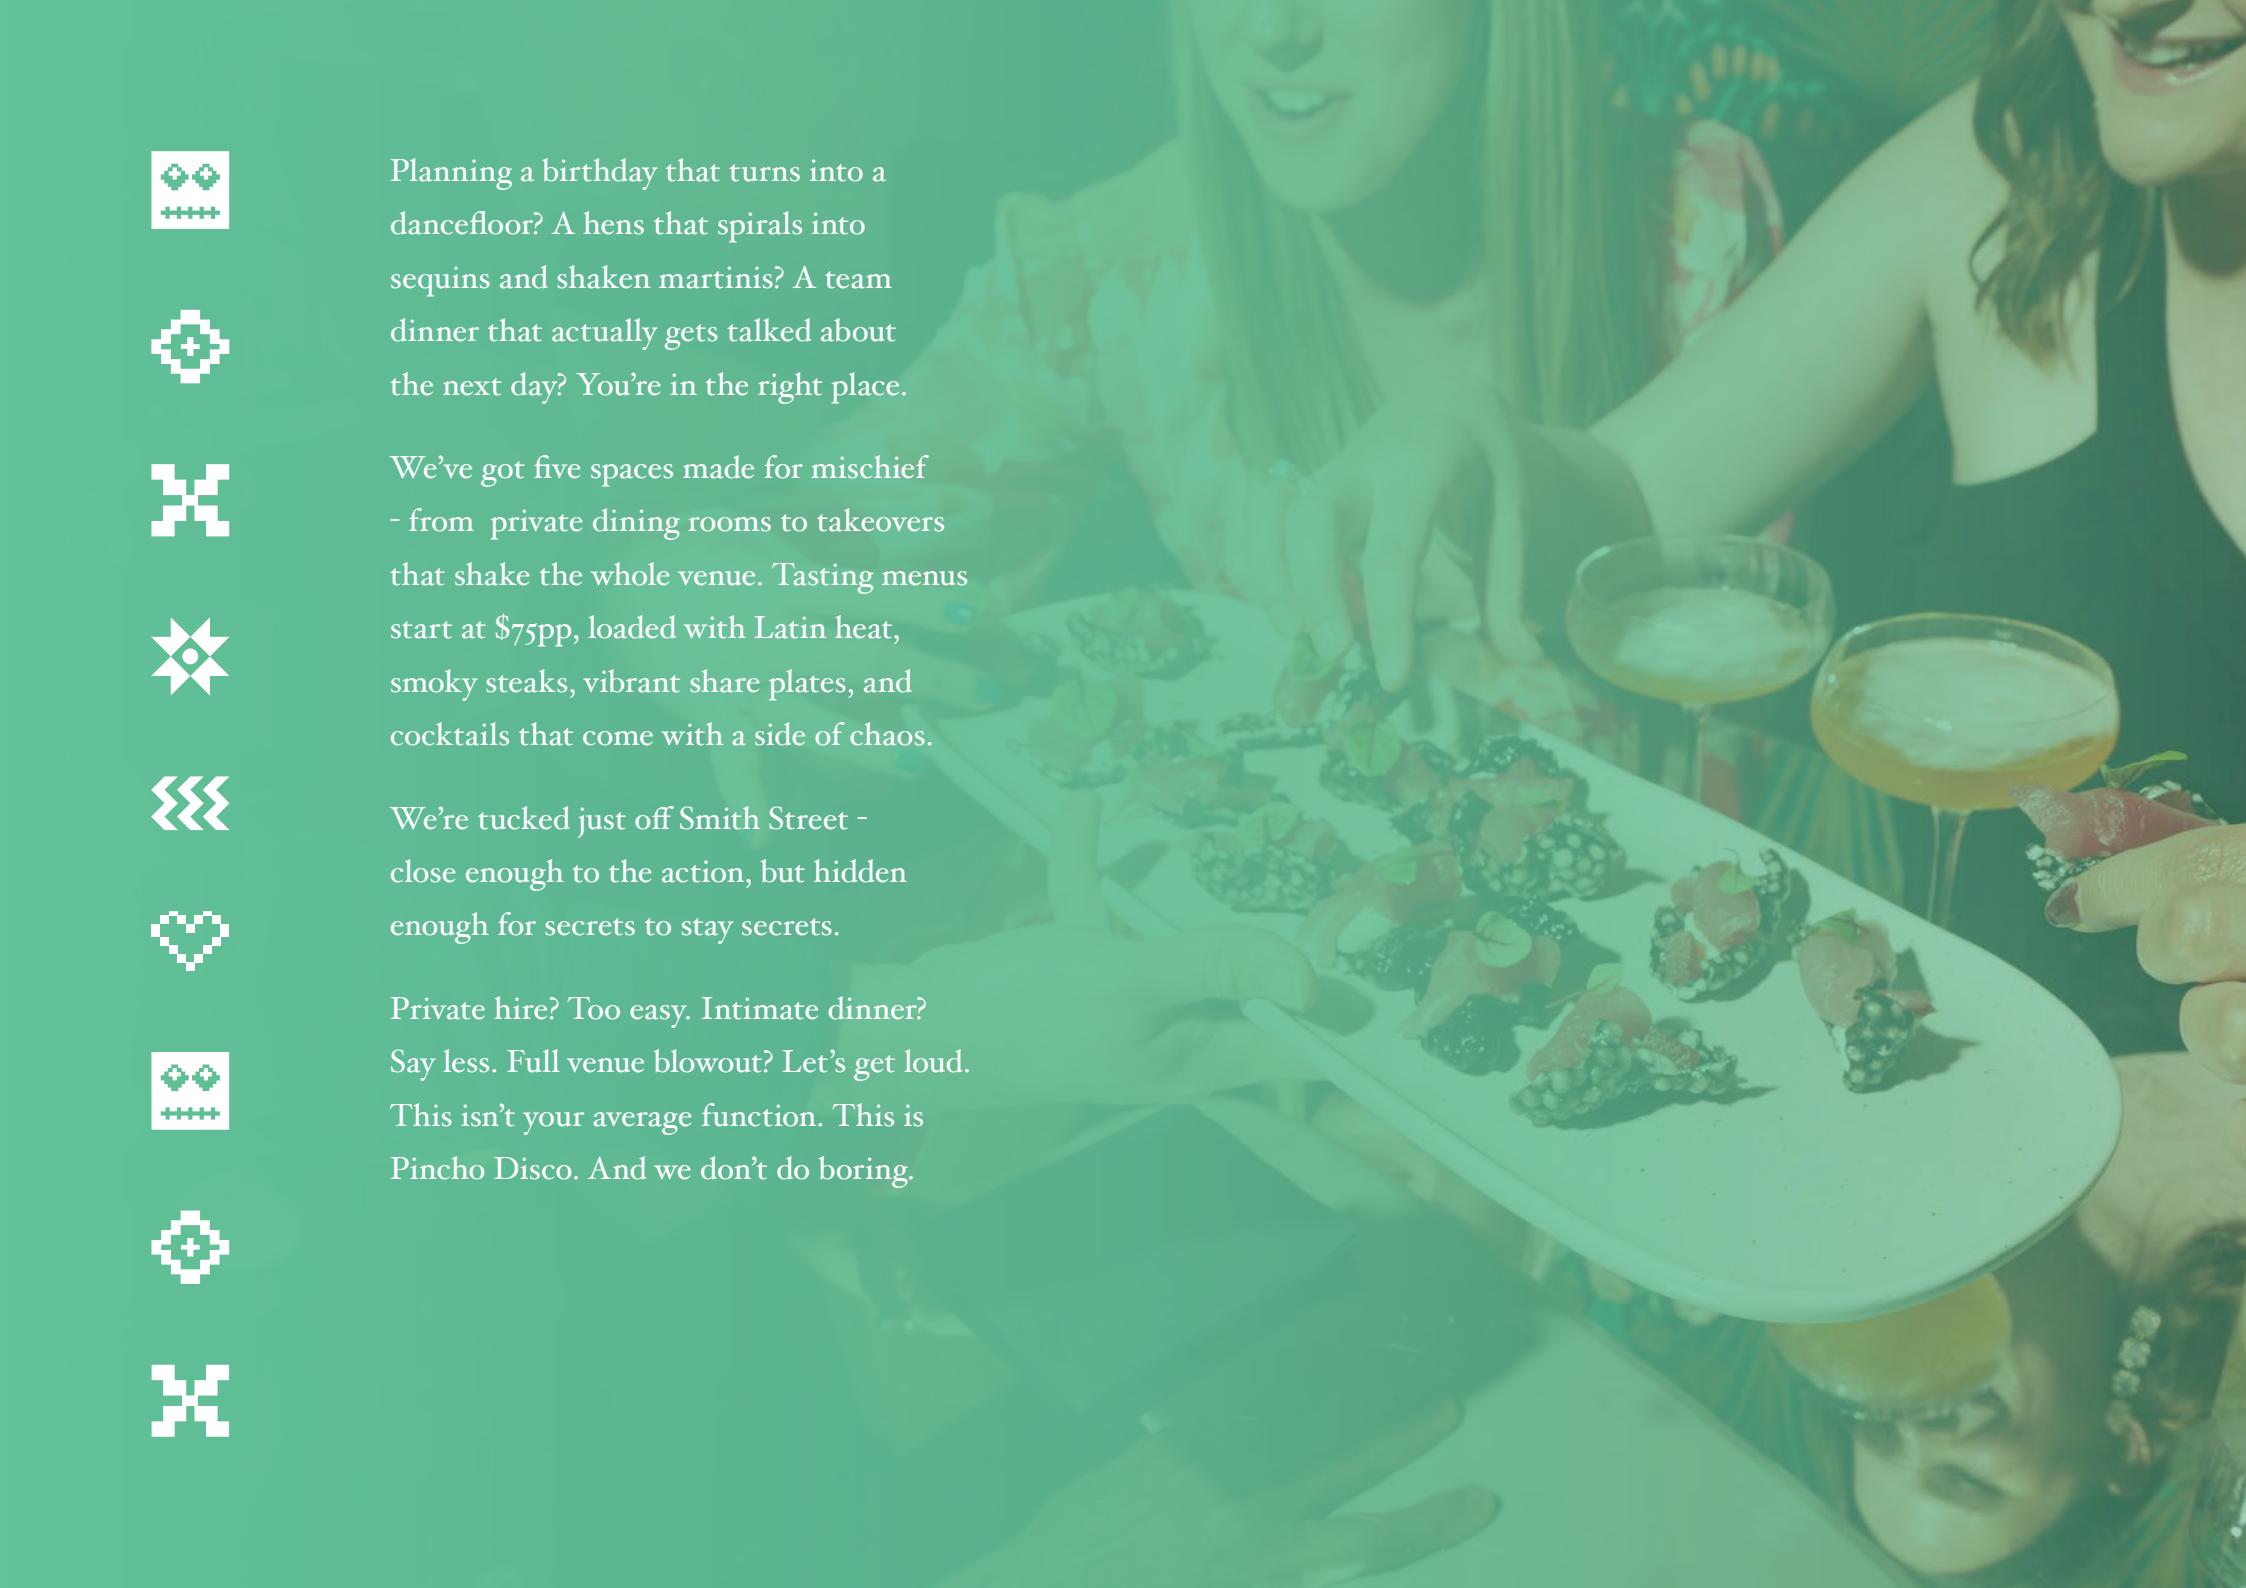

Planning a birthday that turns into a dancefloor? A hens that spirals into sequins and shaken martinis? A team dinner that actually gets talked about the next day? You're in the right place.

We've got five spaces made for mischief - from private dining rooms to takeovers that shake the whole venue. Tasting menus start at $75pp, loaded with Latin heat, smoky steaks, vibrant share plates, and cocktails that come with a side of chaos.

We're tucked just off Smith Street - close enough to the action, but hidden enough for secrets to stay secrets.

Private hire? Too easy. Intimate dinner? Say less. Full venue blowout? Let's get loud. This isn't your average function. This is Pincho Disco. And we don't do boring.
